

National Laser Symposium (NLS-30)
BARC, Mumbai,
January 19-22, 2022

Please check your paper status in website. If your paper is accepted, please read the following instructions carefully.

Poster/oral presentation:

All accepted papers are eligible for e-poster presentation. You need to load your poster in the NLS30 website. All accepted papers or a few selected papers will also be allowed for oral presentation. But, the submission of e-poster/presentation (3 slides) is essential for all participants, whose papers are accepted. You need to upload your posters and oral presentation by January 10, 2022. The templates of the e poster and oral presentation (3 slides) can be downloaded from the website. Please also load PDF file of oral presentation. You may be asked to present your work using submitted PDF file.

The exact day and time of your oral presentation will be displayed in the website. Please visit the website regularly for updates.

Registration fee for NLS-30:

(1) Kindly pay the registration fee at the earliest and upload the payment details in NLS-30 website.

(2) The registration fee may be deposited by electronic transfer to the NLS-30 account. The account details are as follows:

Bank Name: SBI
